

## France

Please note that country specific requirements might apply to this call. For further information follow the links below or contact the national representative. See also French version of the call ([www.agence-nationale-recherche.fr/](http://www.agence-nationale-recherche.fr/)).

Eligible topics: Please note that the conditions for funding French participants are very restrictive. **The CNSA/ANR will be able to finance exclusively the prevention of further loss of autonomy (excluding healthy and autonomous persons). It is mandatory that applicants contact the French contact points in order to make sure that their research proposition can be funded by the French funding agencies.**
