Principal Investigators

Prof Orla Hardiman

Institution

Trinity College Dublin

Contact information of lead PI

Country

United Kingdom

Title of project or programme

A longitudinal study of the evolution of language changes in Motor Neuron Disease (MND): Neuropsychology and Neuroimaging correlates of Language performance in MND

Source of funding information

MND Association

Total sum awarded (Euro)

€ 101,854

Start date of award

01/02/2016

Total duration of award in years

2.8

Keywords

Research Abstract

Further information available at:

Types:

Investments < €500k

Member States:

United Kingdom

Diseases:
