Principal Investigators

Dr Javier Alegre Abarrategui

Institution

University of Oxford

Contact information of lead PI

Country

United Kingdom

Title of project or programme

A new conditional BAC transgenic model of C9ORF72-linked Motoneuron Disease to allow direct visualisation and analysis of impaired RNA cellular pathways

Source of funding information

MND Association

Total sum awarded (Euro)

€ 326,620

Start date of award

10/01/2013

Total duration of award in years

4.8

Keywords

Research Abstract
