

Characterisation of newly identified proteins that interact with the MND-causing expanded repeat in C9orf72

<https://www.neurodegenerationresearch.eu/survey/characterisation-of-newly-identified-proteins-that-interact-with-the-mnd-causing-expanded-repeat-in-c9orf72/>

Principal Investigators

Dr Adrian Isaacs

Institution

University College London

Contact information of lead PI Country

United Kingdom

Title of project or programme

Characterisation of newly identified proteins that interact with the MND-causing expanded repeat in C9orf72

Source of funding information

MND Association

Total sum awarded (Euro)

€ 328,443

Start date of award

01/10/2013

Total duration of award in years

3

Keywords

Research Abstract
