Title of NRN

Dementia and Neurodegeneration Network Ireland (DNNI)

Mission of NRN

DNNI focuses on improving our understanding of the causes and mechanisms of dementia and neurodegeneration, the effectiveness of different models of care, and the policy changes required to improve the quality of life for persons with dementia and neurodegenerative conditions and their caregivers. DNNI strives to promote research, support better use of research and provide a collective voice for dementia and neurodegenerative researchers in the wider policy debate.
