Name of Fellow

Prof Martin Turner

Institution

Funder

MND Association

Contact information of fellow

Country

United Kingdom

Title of project/programme

Developing the Oxford study for biomarkers in Motor Neurone Disease (BioMOx2): Capturing pre-symptomatic events and advancing clinical translation

Source of funding information

MND Association

Total sum awarded (Euro)

€ 325,410

Start date of award

03/08/13

Total duration of award in years

5.0

The project/programme is most relevant to:

Motor neurone diseases

Keywords

Research Abstract

This is a Senior Clinical Fellowship, administered by the MRC. The grant amount is the total contribution by the MND Association to the MRC over the grant lifetime.

Types:

Fellowships

Member States:

United Kingdom

Diseases:

Motor neurone diseases

Years:

2016
