Principal Investigators

Dr Amy Brodtmann

Institution

Florey Institute of Neuroscience and Mental Health

Contact information of lead PI

Country

Australia

Title of project or programme

Do strokes cause dementia? Brain size changes and cognition following stroke

Source of funding information

National Health and Medical Research Council

Total sum awarded (Euro)

€ 700,041

Start date of award

01/01/2012

Total duration of award in years

5.0

The project/programme is most relevant to:

Alzheimer's disease & other dementias

Keywords

Research Abstract

Lay Summary

Further information available at:

Types:

Investments > €500k

Member States:

Australia

Diseases:

Alzheimer's disease & other dementias

Years:

2016
