Principal Investigators

Valkovi? Peter

Institution

Comenius University in Bratislava, Faculty of Medicine

Contact information of lead PI

Country

Slovakia

Title of project or programme

Effect of catechol-O-methyltransferase inhibitor tolcapone on levodopa induced hyperhomocysteinaemia among patients with Parkinson's disease treated with levodopa/carbidopa intestinal gel

Source of funding information

Ministry of Education, Science, Research and Sport of the Slovak Republic

Total sum awarded (Euro)

€ 119,142

Start date of award

01/01/2016

Total duration of award in years

2

Keywords

Research Abstract
