

In all 5 of the danish health care regions regional policies are currently being developed and implemented

<https://neurodegenerationresearch.eu/survey/in-all-5-of-the-danish-health-care-regions-regional-policies-are-currently-being-developed-and-implemented/>

Briefly, is there anything else about your national or regional policies that you would like to explain or tell us about that is already captured? For example, if both exist, does the regional policy add to or complement the national policy?
