Principal Investigators

Nicola Pavese

Institution

Aarhus University

Contact information of lead PI

Country

Denmark

Title of project or programme

In vivo assessment of brain neurotransmitter dysfunction and microglial activation in patients with REM sleep behavior disorder as early markers of parkinsonian disorders

Source of funding information

The Danish Council for Independent Research | Medical Sciences

Total sum awarded (Euro)

€ 800,034

Start date of award

01/09/2014

Total duration of award in years

4.0

The project/programme is most relevant to:

Parkinson's disease & PD-related disorders

Keywords

Research Abstract

Lay Summary

Further information available at:

Types:

Investments > €500k

Member States:

Denmark

Diseases:

Parkinson's disease & PD-related disorders

Years:

2016
