## Principal Investigators

Nicola Pavese

## Institution

Aarhus University

## Contact information of lead PI

### Country

Denmark

## Title of project or programme

In vivo assessment of brain neurotransmitter dysfunction and microglial activation in patients with REM sleep behavior disorder as early markers of parkinsonian disorders

## Source of funding information

The Danish Council for Independent Research | Medical Sciences

## Total sum awarded (Euro)

€ 800,034

## Start date of award

01/09/2014

## Total duration of award in years

4.0

## The project/programme is most relevant to:

Parkinson's disease & PD-related disorders

## Keywords

Research Abstract

## Lay Summary

Further information available at:

### Types:

Investments > €500k

### Member States:

Denmark

### Diseases:

Parkinson's disease & PD-related disorders

### Years:

2016

### Database Categories:

N/A
