

INCF Norwegian node

<https://www.neurodegenerationresearch.eu/survey/incf-norwegian-node/>

Name of resource (including any acronym)

INCF Norwegian node

Name of Principal Investigator

Title Professor

First name Johan F.

Last name Storm

Address of institution where award is held

Institution University of Oslo

Street Address PO Box 1105 Blindern

City Oslo

Postcode NO-0317

Country

Norway

Website link with details of how to contact the resource

<http://www.cmbn.no/incf/>

Purpose of the resource

INCF Norway will promote the development and use of neuroinformatics methods to strengthen both basal and clinical neuroscience research in Norway.

1. The resource is

General (e.g. DNA sequence, proteomic data)

Designed for use in basic neurosciences research

Designed for use in clinical neurosciences research

2. The resource specifically provides for the following neurodegenerative diseases

Neurodegenerative disease in general

3a. The resource is accessible to the research community

2

3b. Procedures and rules for access

National access

5a. Maintenance of the resource is dependent on continued funding

2

5b. End date of current funding period

2011

5c. Plans to secure further funding beyond this period

5d. Expected lifespan of the resource (in years)

5
