## **Principal Investigators**

François TISON

## **Institution**

CHU Bordeaux

## **Contact information of lead PI**

### **Country**

France

## **Title of project or programme**

LYLO « Les Yeux L'Ont » : anomalies des saccades oculaires à la phase prodromale de la maladie d'Alzheimer. LYLO "Les Eyes L'Ont": anomalies of ocular saccades in the prodromal phase of Alzheimer's disease

## **Source of funding information**

DGOS

## **Total sum awarded (Euro)**

€ 227,000

## **Start date of award**

xx/xx/2011

## **Total duration of award in years**

5

## **Keywords**

## Research Abstract
