### **Principal Investigators**

MEISSNER Wassilios

### **Institution**

CHU Bordeaux

### **Contact information of lead PI**

#### **Country**

France

### **Title of project or programme**

Mise en évidence de BIOmarqueurs dans les syndromes PARKinsoniens – BIOPARK.  
Demonstration of BIO markers in PARKinsonian syndromes - BIOPARK

### **Source of funding information**

DGOS

### **Total sum awarded (Euro)**

€ 140,105

### **Start date of award**

xx/xx/2012

### **Total duration of award in years**

4

### **Keywords**

Research Abstract

Further information available at:

### **Types:**

Investments < €500k

**Member States:**

France

**Diseases:**

N/A

**Years:**

2016

**Database Categories:**

N/A

**Database Tags:**
