

MRC Centre for Neurodegeneration Research

<https://www.neurodegenerationresearch.eu/survey/mrc-centre-for-neurodegeneration-research/>

Title of project or programme

MRC Centre for Neurodegeneration Research

Principal Investigators of project/programme grant

Title	Forname	Surname	Institution	Country
Professor	Chris	Shaw	MRC Centre for Neurodegeneration Research	UK
Professor	Ammar	Al-Chalabai	MRC Centre for Neurodegeneration Research	UK
Professor	Gareth J	Barker	MRC Centre for Neurodegeneration Research	UK
Professor	Richard G	Brown	MRC Centre for Neurodegeneration Research	UK
Professor	Noel J	Buckley	MRC Centre for Neurodegeneration Research	UK
Professor	Peter K	Giese	MRC Centre for Neurodegeneration Research	UK

Address of institution of lead PI

Institution Institute of Psychiatry, King's College London

Street Address De Crespigny Park, Denmark Hill

City London

Postcode SE5 8AF

Country

- United Kingdom

Source of funding information

Medical Research Council

Total sum awarded (Euro)

2333478.12

Start date of award

01-05-2006

Total duration of award in months

60

The project/programme is most relevant to

- Alzheimer's disease and other dementias
- Motor neurone diseases
- Neurodegenerative disease in general

Keywords

Research abstract in English

The understanding of the molecular pathogenesis of neurodegenerative diseases has advanced to such a degree that translation of this research into clinically relevant outcomes is a reality. The mission of the Centre will be to further understand mechanisms of neurodegeneration and to translate this into new treatments, new biomarkers and improved understanding of the signs and symptoms of these diseases.
