

# National research infrastructure for biological and medical imaging (Czech-BioImaging)

<https://neurodegenerationresearch.eu/survey/national-research-infrastructure-for-biological-and-medical-imaging-czech-bioimaging/>

## Infrastructure name

National research infrastructure for biological and medical imaging (Czech-BioImaging)

## Institute/location

Institute of Molecular Genetics, Czech Academy of Sciences

## Key contact

Prof. Pavel Hozák

## Contact phone number

42 0241062219

## Contact email

[coordinator@czech-bioimaging.cz](mailto:coordinator@czech-bioimaging.cz)

## Project/infrastructure description

The infrastructure provides an open access to a wide range of imaging technologies and expertise to all scientists in the Czech Republic by a unified and coordinated logistics approach. Special training programmes will help increase the qualification of scientists in biological and medical imaging, whose knowledge is a key pre-requisite for any research activity in biomedical sciences.

## Date funding committed

01/01/2016

## Date infrastructure operational

## Total capital cost (Euros)

€ 3,476,527

## Does the 'Total Capital Cost' include other associated costs?

No

## Current infrastructure status

Operational

**Is this entry applicable to another section of this questionnaire?**

Investments>€500k
