

Network Center for Biomedical Research in Neurodegenerative Diseases (CIBERNED)

<https://www.neurodegenerationresearch.eu/survey/network-center-for-biomedical-research-in-neurodegenerative-diseases-ciberned/>

Title of NRN

Network Center for Biomedical Research in Neurodegenerative Diseases (CIBERNED)

Mission of NRN

CIBERNED's ultimate goal is to foster scientific and technical research of excellence in the field of human health, with the overall goal of producing results quickly translatable into clinical practice to improve the health and wellbeing of patients with neurodegenerative diseases, as well as their families and caregivers, providing in turn economic and social benefits

Director - Title

Director - First name

Jesús

Director - Last name

Ávila de Grado

Deputy Director - Title

Dr

Deputy Director - First name

Miguel

Deputy Director - Last Name

Address of central coordination point for network - Institution

Address of central coordination point for network - Street address

Address of central coordination point for network - City

Address of central coordination point for network - Postcode

Country in which NRN operates

Spain

Date that NRN was established

04/12/2006

The NRN has specific relevance to these neurodegenerative diseases

Funding source

Carlos III Institute of Health

Start date for current core funding
Duration of current core funding (months)
Funding amount of current core funding (Euro)
