Principal Investigators

Prof Nigel Leigh

Institution

University of Sussex

Contact information of lead PI Country

United Kingdom

Title of project or programme

Neurite Orientation Dispersion and Density Imaging ('NODDI') - a new approach to understanding cellular pathology in MND.

Source of funding information

MND Association

Total sum awarded (Euro)

€ 131,986

Start date of award

01/06/2014

Total duration of award in years

2.2

Keywords

Research Abstract
