

# Patient-specific control of movement disorders in Parkinson's disease by using deep brain stimulation

<https://www.neurodegenerationresearch.eu/survey/patient-specific-control-of-movement-disorders-in-parkinsons-disease-by-using-deep-brain-stimulation/>

## Principal Investigators

Rene Peter Bremm

## Institution

Université du Luxembourg

## Contact information of lead PI Country

Luxembourg

## Title of project or programme

Patient-specific control of movement disorders in Parkinson's disease by using deep brain stimulation

## Source of funding information

FNR

## Total sum awarded (Euro)

€ 177,158

## Start date of award

01/05/2015

## Total duration of award in years

3

## Keywords

Research Abstract

Further information available at:

## Types:

Investments < €500k

## Member States:

Luxembourg
