Principal Investigators

Olivier GODEFROY

Institution

CHU Amiens

Contact information of lead PI

Country

France

Title of project or programme

Radiomarqueur amyloïde cérébral (florbetapir) et démence post Accident Vasculaire Cérébral.
Radiomatous cerebral amyloid (florbetapir) and dementia post Cerebral Vascular Accident

Source of funding information

DGOS

Total sum awarded (Euro)

€ 264,902

Start date of award

xx/xx/2012

Total duration of award in years

4

Keywords

Research Abstract
