Title of project or programme

Reconciling Cholinergic and inflammatory hypotheses of delirium: acute and lasting effects of systemic inflammation on chronic neurodegeneration.

Principal Investigators of project/programme grant

Title	Forname	Surname	Institution	Country
Dr	Colm	Cunningham	Trinity College Dublin	Ireland

Address of institution of lead PI

Institution Trinity College Dublin
Street Address
City Dublin
Postcode

Country

Ireland

Source of funding information

Wellcome Trust

Total sum awarded (Euro)

1418033

Start date of award

01-11-2010

Total duration of award in months

60

The project/programme is most relevant to

- Neurodegenerative disease in general

Keywords

Research abstract in English
