Prof Linda Greensmith

Institution

University College London

**Contact information of lead PI Country** 

**United Kingdom** 

Title of project or programme

The role of miRNAs in ALS and their use as a biomarker of disease progression

Source of funding information

**MND** Association

Total sum awarded (Euro)

€ 310,923

Start date of award

01/01/2016

**Total duration of award in years** 

3

Keywords
Research Abstract
Further information available at:

## Types:

Investments < €500k
