

Centre for Longitudinal Studies

<https://neurodegenerationresearch.eu/survey/title-of-picentre-for-longitudinal-studies/>

Title of COE

Title of PI Centre for Longitudinal Studies

Mission of COE

The ULSC undertakes a wide portfolio of activities and services, including:

collecting and disseminating the BHPS data

providing services in the design and management of longitudinal survey research, including advice to those establishing new surveys

running a methodological research programme to improve longitudinal survey methods

promoting and supporting the application of research methods appropriate for the analysis of longitudinal survey data

promoting best practice in the collection, management and production of high quality data for users

managing longitudinal survey resources to enable easier access to longitudinal data, information and advice.
