Title of COE

Title of PI Genome Analysis Centre

Mission of COE

The Genome Analysis Centre (TGAC) is a national BBSRC genomics and bioinformatics centre which addresses problems in agriculture, sustainable energy, food and nutrition, through novel approaches in genomics and specialising in genomics technology, high throughput data analysis, advanced bioinformatics and innovation.

Director

Title Dr

First name Jane

Last name Rodgers

COE Principal Investigators

Title First name Last name

Dr mario Caccamo

Dr Amanda McMurray

Address of institution where award is held

Institution The genome Analysis Centre

Street Address Colney

City NR4 7UH

Country

United Kingdom

Date that the CoE was established

03-07-2009

If it has specific relevance to a neurodegenerative disease please select up to three of the following

Not applicable

Funding sources

1 BBSRC

Start date for current core award

03-07-2009

Duration of current core award (months)

5

Funding amount of current core award (Euro)

0
