

Neurospin / Molecular imaging research center

<https://www.neurodegenerationresearch.eu/survey/title-of-pineurospin-molecular-imaging-research-center/>

Title of COE

Title of PI Neurospin / Molecular imaging research center

Mission of COE

Focus 1 : Development of multimodal imaging protocols to follow the progression of the disease and allow an early diagnosis.

Focus 2: Characterization of primate (Lemur) and rodent AD models by imaging

Focus 3: Development of new MRI techniques to detect amyloide plaques

Director

Title Professor

First name Denis

Last name Le Bihan

COE Principal Investigators

Title First name Last name

Doctor Marc Dhenain

Address of institution where award is held

Institution CEA Saclay

Street Address

City Gif-sur-Yvette

Postcode 91191

Country

France

Date that the CoE was established

01-01-2011

If it has specific relevance to a neurodegenerative disease please select up to three of the following

Alzheimer's disease and other dementias

Start date for current core award

01-01-2011

Duration of current core award (months)

48

Funding amount of current core award (Euro)

0
