

SINAPSE – Scottish Imaging Network

<https://neurodegenerationresearch.eu/survey/title-of-pisinapse-scottish-imaging-network/>

Name of RN

Title of PI SINAPSE – Scottish Imaging Network

Mission of RN

SINAPSE is a consortium of six Scottish universities; Aberdeen, Dundee, Edinburgh, Glasgow, St. Andrews, and Stirling. It has been established with funding from the Scottish Funding Council, the Chief Scientific Office and the six Universities.

The main research focus is on imaging the brain, with additional interests in oncology and cardiovascular imaging. The technology focus is primarily on magnetic resonance imaging (MRI), positron emission tomography (PET), single photon emission computed tomography (SPECT), and electrophysiology (EEG).

Director

Title Professor

First name David

Last name Wyper

Address of central coordination point for the network

Institution University of Edinburgh

Street Address 1 George Square

City Edinburgh

Postcode EH8 9JZ

Country in which RN operates

- United Kingdom

Date the RN was established

01-08-2007

The RN has specific relevance to these neurodegenerative diseases:

- Neurodegenerative disease in general

Funding source

Scottish Funding Council, Chief Scientist Office – Scottish Government Health Directorates, participating universities

Start date for current core funding

01-02-2008

Duration of current core funding (months)

60

Funding amount of current core funding (Euro)

7,169,699
