Title of COE

Title of PI Trinity College Institute of Neuroscience

Mission of COE

Through our research and teaching in neuroscience, we engage students and society in the quest for knowledge about the human brain and mind, and seek to achieve excellence in all we do. We respond with creativity and imagination to the challenges and opportunities of a shared future, by developing and applying our fundamental scientific knowledge for the benefit of human health, welfare, and knowledge.

Director

Title Professor

First name Shane

Last name O'Mara
