

Towards in vivo molecular imaging of ? synuclein protein

<https://www.neurodegenerationresearch.eu/survey/towards-in-vivo-molecular-imaging-of-synuclein-protein/>

Principal Investigators

VERDURAND Mathieu

Institution

UMR5292/U1028 Centre de recherche de neurosciences de Lyon

Contact information of lead PI

Country

France

Title of project or programme

Towards in vivo molecular imaging of ? synuclein protein

Source of funding information

Fondation Plan Alzheimer

Total sum awarded (Euro)

€ 174,000

Start date of award

xx/xx/2012

Total duration of award in years

5

Keywords

Research Abstract
