Principal Investigators

Sandra Black

Institution

SHSC (U Toronto)

Contact information of lead PI
Country

Canada

Title of project or programme

Validation of ocular measures as potential biomarkers for early detection of brain amyloid and neurodegeneration.

Source of funding information

Brain Canada Krembil Foundation

Total sum awarded (Euro)

€ 998,993

Start date of award

01/01/2014

Total duration of award in years

3.0

The project/programme is most relevant to:

Alzheimer's disease & other dementias

Keywords
Research Abstract
Lay Summary
Further information available at:

Types:
Investments > €500k

Member States:
Canada

Diseases:
Alzheimer's disease & other dementias

Years:
2016
