## **Principal Investigators**

ALLARD Michèle

## **Institution**

CHU Bordeaux

## **Contact information of lead PI**

### **Country**

France

## **Title of project or programme**

Vieillissement pathologique et non-pathologique, Activité physique, Génotype et Cognition / ViAGeCo. Pathological and non-pathological aging, Physical activity, Genotype and Cognition / ViAGeCo

## **Source of funding information**

Fondation Plan Alzheimer

## **Total sum awarded (Euro)**

€ 136,000

## **Start date of award**

xx/xx/2013

## **Total duration of award in years**

3

## **Keywords**

**Research Abstract**
