

JPND call for proposals

European research projects on neurodegenerative diseases:
risk and protective factors, longitudinal cohort approaches and
advanced experimental models

JPND
research

EU Joint Programme – Neurodegenerative Disease Research

Country: Finland
Organisation: Academy of Finland (AKA)

Who is addressed by this information?

This document contains information on specific requirements for researchers applying for AKA funding. Following the specific requirements is mandatory. To make sure that all requirements are met and to receive latest information, please contact the respective national contact point.

Contact

Funding organisation	Academy of Finland (www.aka.fi)
National contact point	Academy of Finland, Health Research Unit Antti Hautaniemi +358 295 33 5006 antti.hautaniemi@aka.fi Sirpa Nuotio +358 295 33 5082 sirpa.nuotio@aka.fi

Eligibility

Eligible Institutions	Finnish universities Finnish university hospitals Finnish research institutes
Eligible topics	The call topics listed below are supported by organisation. Applying for funding for any other topic is not permitted. Topic 1: Genetic, epigenetic and environmental risk and protective factors for neurodegenerative diseases Topic 2: Longitudinal cohort approaches in neurodegenerative diseases Topic 3: Advanced experimental models of neurodegenerative diseases
Additional requirements	Applicants must follow the Academy's guidelines on eligibility and the funding principles applied to Academy Project funding. Applicants who intend to submit a proposal in this call are requested to contact the contact persons at the Academy (see above).

Budget

Total earmarked national budget	1 000 000 €
Anticipated no. of funded groups	3-4
Fundable costs	<p>Salaries Indirect employee costs Overheads Materials Machinery and equipment Acquisition of services Travel Costs</p> <p>Full cost model is applied, which means that the Academy's funding contribution comes to no more than 70% of a project's total costs.</p>
