

## JPND call for proposals

European research projects on neurodegenerative diseases: risk and protective factors, longitudinal cohort approaches and advanced experimental models

|                      |                 |
|----------------------|-----------------|
| <b>Country:</b>      | <b>Portugal</b> |
| <b>Organisation:</b> | <b>FCT</b>      |

### Who is addressed by this information?

This document contains information on specific requirements for researchers applying for FCT funding. Following the specific requirements is mandatory. To make sure that all requirements are met and to receive latest information, please contact the respective national contact point.

**IMPORTANT: Submission of additional information by e-mail before the submission deadline (see “additional requirements” below).**

### Contact

|                               |  |
|-------------------------------|--|
| <b>Funding organisation</b>   | Foundation for Science and Technology<br>www.fct.pt                |
| <b>National contact point</b> | Dr. Ricardo Pereira<br>+351 21 392 44 79<br>ricardo.pereira@fct.pt |

### Eligibility

|                                |   |
|--------------------------------|---|
| <b>Eligible Institutions</b>   | Please refer to Article 2, Regulations governing access to funding for scientific research and technological development projects — 2010 (with 2011 changes), here: <a href="http://www.fct.pt/apoios/projectos/regulamento.phtml.en">http://www.fct.pt/apoios/projectos/regulamento.phtml.en</a><br><br>In the case of a positive funding decision all Portuguese applicants will be asked to submit a formal national application |
| <b>Eligible topics</b>         | The call topics listed below are supported by FCT. Applying for funding for any other topic is not permitted.<br><br>Topic 1: Genetic, epigenetic and environmental risk and protective factors for neurodegenerative diseases<br><br>Topic 2: Longitudinal cohort approaches in neurodegenerative diseases<br><br>Topic 3: Advanced experimental models of neurodegenerative diseases  |
| <b>Additional requirements</b> | Each Portuguese institution needs to submit by e-mail a <a href="#">Declaração de Compromisso</a> duly signed and stamped by the head of the Principal Contractor and by the Principal Investigator to the national contact point until the submission deadline of pre-proposals.   |

## Budget

|   |   |
|---|---|
| <b>Total earmarked national budget</b>  | <p>0,9 M Euro</p> <p>The maximum funding of the Portuguese participation per project partner is as follows:</p> <p>Consortium coordination of proposals on any JPND disease(s) in general: 250 000 €<br/>Consortium participation in proposals on any JPND disease(s) in general: 150 000 €</p> <p>Consortium coordination of proposals on <u>Machado-Joseph disease</u>: 275 000 €<br/>Consortium participation in proposals on <u>Machado-Joseph disease</u>: 175 000 €</p> |
| <b>Anticipated no. of funded groups</b> | 1-6   |
| <b>Fundable costs</b>                   | Please refer to Article 4, Regulations governing access to funding for scientific research and technological development projects — 2010 (with 2011 changes), here: <a href="http://www.fct.pt/apoios/projectos/regulamento.phtml.en">http://www.fct.pt/apoios/projectos/regulamento.phtml.en</a>   |
