

JPND call for proposals

European research projects on neurodegenerative diseases: risk and protective factors, longitudinal cohort approaches and advanced experimental models

Country:	ROMANIA
Organisation:	NASRI

Who is addressed by this information?

This document contains information on specific requirements for researchers applying for NASRI funding. Following the specific requirements is mandatory. To make sure that all requirements are met and to receive latest information, please contact the respective national contact point.

Contact

Funding organisation	National Authority for Scientific Research and Innovation www.ancs.ro
National contact point	Ioana Ispas Tel: +4021 212 77 91 E-mail: ioana.ispas@ancs.ro Oana Costea Tel: +40212127791 E-mail: oana.costea@ancs.ro

Eligibility

Eligible Institutions	Romanian research organisations Romanian hospitals
Eligible topics	The call topics listed below are supported by NASRI organisation. Topic 1: Genetic, epigenetic and environmental risk and protective factors for neurodegenerative diseases Topic 2: Longitudinal cohort approaches in neurodegenerative diseases Topic 3: Advanced experimental models of neurodegenerative diseases
Additional requirements	Project teams should include Romanian scientists who, in the last 5 years, have/had relevant projects and at least 3 papers in top international scientific journals.

Budget

Total earmarked national budget	300 000 EUR
Anticipated no. of funded groups	1-2 projects

Fundable costs	Direct project costs for research activities, demonstration activities, clinical trials phase I are eligible. E.g: personnel, consumables, travel costs and fees for scientific conferences. Indirect costs are eligible and represent 25% from direct costs.
