

Country: Australia

Organisation: National Health and Medical Research Council

This document contains **information on specific requirements** for researchers applying for funding by the funding organisation indicated above. To make sure that your application is fully in line with the specific requirements and to receive latest information, please contact the respective **national contact person**. Not fulfilling the requirements may lead to ineligibility of the application.

Contact

National contact person	Dr Julie Glover National Health and Medical Research Council (NHMRC) dementia.research@nhmrc.gov.au
--------------------------------	---

Eligibility

Eligible Institutions	Applications for NHMRC funding are subject to the general eligibility requirements as set out in: 2017 NHMRC Funding Rules: https://www.nhmrc.gov.au/book/nhmrc-funding-rules-2017 NHMRC Funding Agreement: www.nhmrc.gov.au/grants-funding/administering-grants/nhmrc-funding-agreement-and-deeds-agreement
Eligible topics	NHMRC will only fund applications with a key focus on Alzheimer's disease or other dementias. Applying for funding with any other focus under this call will not be supported through the Boosting Dementia Research Grants Scheme Priority Round 2. However, Australian researchers who have other sources of funding are not restricted to this focus.
Additional requirements	Applicants from Australia intending to apply for funding via the Boosting Dementia Research Grants Scheme should notify the national contact point at NHMRC to signal intention to join a consortium, via dementia.research@nhmrc.gov.au . Australian applicants should also refer to the NHMRC website for specific documentation for Priority Round 2 when it becomes available. NHMRC funding is subject to governmental approval processes.

Budget

Total earmarked national budget	AUD\$5 million via the Boosting Dementia Research Scheme
Anticipated no. of funded groups	5 or more (if budgets are less than AUD\$0.85 million)
Budget restrictions	<p>Please refer to:</p> <p><i>Boosting Dementia Research Grants Scheme</i> documents and <i>Priority Round 2 Details</i> when they become available</p> <p>https://www.nhmrc.gov.au/grants-funding/apply-funding/boosting-dementia-research-grants</p> <p>Each Australian team may apply for up to three years of funding up to a maximum of AUD\$0.85 million per team.</p>
Eligible costs	<p>Please refer to:</p> <p>Section 8 of the 2017 NHMRC Funding Rules: https://www.nhmrc.gov.au/book/nhmrc-funding-rules-2017/8-funding</p> <p>NHMRC Funding Agreement: www.nhmrc.gov.au/grants-funding/administering-grants/nhmrc-funding-agreement-and-deeds-agreement</p>
