

Country: Israel
Organisation: Chief Scientist Office (CSO-MOH)

This document contains **information on specific requirements** for researchers applying for funding by the funding organisation indicated above. To make sure that your application is fully in line with the specific requirements and to receive latest information, please contact the respective **national contact person**. Not fulfilling the requirements may lead to ineligibility of the application.

Contact

National contact person	Dr. Ahmi Ben-Yehudah Ahmi.by@moh.gov.il 02-5082163 http://www.health.gov.il/Subjects/research/International_cooperations/Pages/default.aspx
--------------------------------	---

Eligibility

Eligible Institutions	University, hospital or research institution
Additional requirements	<p>Prior to submission, researchers must submit to CSO-MOH an abstract approved by their research authority including detailed budget distribution. This is not the consortia abstract, but an abstract describing the activity of the Israeli researcher within the consortia. No submission of abstract can lead to disqualification of the whole application, as well as the consortium.</p> <p>Bioethics approvals, if applicable, should be submitted with the application or within 4 months after grant approved for funding.</p> <p>Submission of financial and scientific reports at the national level is required annually.</p>

Budget

Total earmarked national budget	Up to 0.21 Mio €
Anticipated no. of funded groups	2
Budget restrictions	Up to 100,000 € per project. An additional 10,000 Euros will be granted if the Israeli researcher is the coordinator
Eligible costs	Personnel (students, technicians. applicants excluded); Animal, Materials and consumables; Travel (up to 10%); Institutional overhead 10%. No permanent equipment.
