

Country	Denmark
Organisation	Innovation Fund Denmark

This document contains information on **specific requirements** for the funding organisation indicated above. Not fulfilling the requirements may lead to **ineligibility of the application**. In case of any uncertainties please contact the related funding organisation (see below).

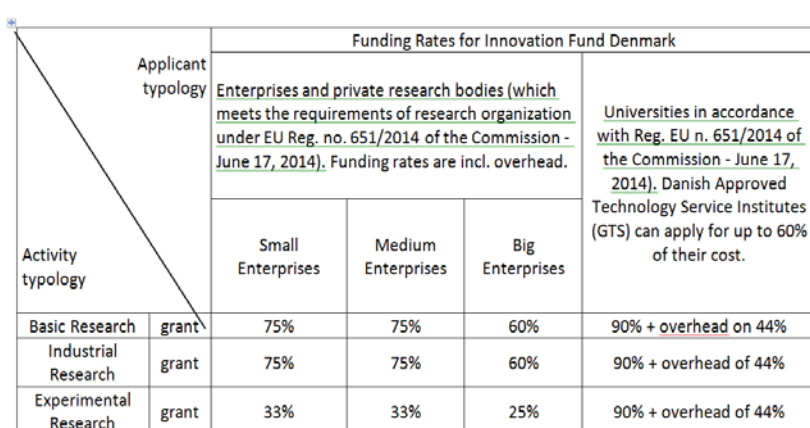

Contact

National contact person	Mogens Hørder or Peter Aadal Nielsen
-------------------------	--------------------------------------

Eligibility

Eligible Institutions	All types of partners
Additional requirements	<p>Funding criteria and regulations</p> <p>Projects must comply with IFD’s Rules for International projects and the national Grand Solution programme.</p> <p>In particular, all Danish applicants and co-applicants must be eligible for national project funding according to IFD’s rules. Danish applicants who have not previously obtained a project grant from IFD are strongly recommended to contact the national contact point.</p> <p>Partners of an international project consortium located in a country of the JPND transnational consortium cannot be funded via IFD’s grants.</p> <p>Proposals with overlapping funding periods are only approved, if the research projects clearly address separate topics or pursue different goals in the context of this European programme.</p> <p>Danish applicants may participate in one proposal only.</p> <p>Grants will be managed according to IFD’s rules for International projects and Grand Solutions; this includes 6 months national progress reports and reimbursement of cost after providing IFD a financial report.</p> <p>Applicants must provide basic administrative data by submitting an administrative application via the online submission system E-grant for the same deadline as the consortium application is submitted. Please select the JPND call 2018 when creating the administrative application.</p>
