## Eligibility for the 1509 TÜBİTAK International Industrial R&D Projects Grant Programme

Eligible Institutions	<p>SMEs, Industrial partners</p> <p>The objective of the program is to create market focused R&amp;D Projects between European countries and to increase cooperation between Europe wide firms, universities and research institutions, by using cooperation webs.</p>
Additional requirements	<p><b>The company needs to register into TUBITAK TEYDEB's Prodis Project Management System in parallel to the Joint Call application. The hard copies of the proposals should be sent to Mr. Kamil Oncu SEN, TUBITAK TEYDEB Mustafa Kemal Mahallesi, Eskişehir Yolu 7. Km 06510 Çankaya/Ankara.</b></p> <p>Then the company is subject to an eligibility check. The company applies for the project. Then the project is taken for preliminary examination by a TEYDEB expert and sent to independent referees who will prepare the evaluation reports. Upon the completion of the evaluation reports the relevant technology group committee discusses the project proposal to give the final decision of acceptance or rejection.</p>

## Budget

Total earmarked	1.000.000 €
-----------------	-------------

budget	
Budget restrictions	The upper limit per project is set as 1.000.000 € but the expenses are subject to assessment by independent referees.
Eligible costs	For the accepted projects the project agreement is signed by the company and TUBITAK. Afterwards, the company can send the performance and expense reports to TUBITAK semi-annually during the project duration. The company's expenses are examined and approved by Independent Finance Auditors. The project performance is followed up by the independent referee(s). The accepted amount of expenses are multiplied by the programme's grant ratio and the respective amount of grant is deposited to the company's account.
