Eligibility

Eligible Institutions	<p>IFD encourage all types of partners to participate in international projects.</p> <p>Only registered legal Danish entities are eligible for investments from IFD in an international project. Foreign partners can be subcontracted after approval by IFD.</p> <p>The global maximum for IFD investment to cooperation projects is 75% of the total project costs. In international projects the total costs are calculated on basis of the total project costs including the foreign partner's contribution. IFDs funding rate is calculated excl. possible EU co-funding.</p>
