

Country: Sweden
**Organisation: Swedish
 Research Council (SRC)**

This document contains **information on specific requirements** for researchers applying for funding by the funding organisation indicated above. To make sure that your application is fully in line with the specific requirements and to receive latest information, please contact the respective **national contact person**. Not fulfilling the requirements may lead to ineligibility of the application.

Contact

National contact person	Richard Andersson Richard.andersson@vr.se Tel. +46 546 44010
--------------------------------	--

Eligibility

Eligible Institutions	SRC approved administrating organisations (i.e. Swedish non-profit research performing organisations, e.g. universities, university hospitals, county councils)
Additional requirements	Applicant must have a PhD and may not have an ongoing JPND grant at the start of the funding period. Swedish applicants are required to submit parallel applications through SRC's electronic application system (Prisma). See full details at the Swedish Research Council call web page.

Budget

Total earmarked national budget	15 MSEK (1,45 M€)
Anticipated no. of funded groups	5
Budget restrictions	Total budget restrictions (per consortium for the project duration), minimum 1,2 MSEK (116 000 €), maximum 3,750 MSEK (363 100 €)
Eligible costs	All project related costs such as salaries (including the applicant's salary, however no more than corresponding to the activity level in the project), equipment, consumables, travel costs, publishing costs, premises and depreciation costs. The grant may not be used for stipends or scholarships. If a doctoral student participates, project funds may not be paid out as salary for the period when the doctoral student is teaching.
