Eligibility

Eligible Institutions	Proposals may be submitted by entities specified in Article 27 (1) of the Act on the National Science Centre (NCN). For further details on eligibility of applicants, as well as terms of entry, please check the Annex to the NCN Council's Resolution on funding granted within calls for proposals for international research projects (UNISONO) .
Additional requirements	<ul style="list-style-type: none">• Up to 7 days of the end of full proposals' submission the applicants are obliged to prepare a national proposal and submit it to the NCN electronically via the ZSUN/OSF submission system available at www.osf.opi.org.pl.• Only proposals involving basic research may be submitted in response to the call for proposals. Basic research is defined as experimental or theoretical endeavours undertaken to gain new knowledge of the foundations of phenomena and observable facts, without any direct commercial use.• Other applicable documents:<ul style="list-style-type: none">• Open Access Policy at the NCN;• Data Management Plan requirements;• Personal Data Processing at the NCN.

Budget

Total earmarked national budget	EUR 500 000
Anticipated no. of funded groups	2

<p>Budget restrictions</p>	<p>Administrative personnel costs, as well as costs of organizing conferences, workshops, seminars or meetings are not considered direct costs and can only be funded from overheads.</p> <p>If one international project includes partners from at least two different Polish institutions, these institutions must apply as a group of entities. Each institution comprising this group has a separate budget, but the limit on the remuneration applies to the group as a whole.</p> <p><u>We strongly recommend all applicants to read information on eligible costs included in the Annex to NCN Council's Resolution on funding granted within calls for proposals for international research projects (UNISONO).</u></p>
<p>Eligible costs</p>	<p>Applicants may apply for funding of costs relevant, necessary and directly connected to the proposed research project, including:</p> <ul style="list-style-type: none"> • Salaries and scholarships (including post-doc positions and scholarships/salaries for students and PhD students); • Research equipment, devices and software: applicants may seek funding for research equipment up to PLN 500,000 per unit; • Other direct costs: materials and consumables, outsourcing and subcontracting, business trips, visits and consultations, collective investigators, other costs; • Overheads: overheads may not exceed a maximum of 20% of eligible costs and may not be increased during the course of a research project. Additionally, overheads of up to 2% of direct costs may be spent on open access to publications and research data.
