

## JPND Call for Proposals 2021

Linking pre-diagnosis disturbances of  
physiological systems to Neurodegenerative Diseases

**Country: Portugal**  
**Organisation: FRCT**

This document contains **information on specific requirements** for researchers applying for funding by the funding organisation indicated above. To make sure that your application is fully in line with the specific requirements and to receive latest information, please contact the respective **regional contact persons**. Not fulfilling the requirements may lead to ineligibility of the application.

### Contact

<b>Regional contact persons</b>	<p><b>Gisela Nascimento</b> Gisela.MC.Nascimento@azores.gov.pt +351 296308948</p> <p><b>Renato Pires</b> Renato.HM.Pires@azores.gov.pt +351 296308933</p>
---------------------------------	---

### Eligibility

<b>Eligible Institutions</b>	Non-profit institutions from the Azores Scientific and Technological System (SCTA). Other conditions may apply. Additional eligibility criteria available at: <a href="http://frct.azores.gov.pt/legislacao/">http://frct.azores.gov.pt/legislacao/</a>
<b>Additional requirements</b>	Before initiating a funding request, FRCT strongly recommends that applicants contact FRCT through the regional contact persons.  Also see the <b>Guide for the participation of regional research teams in ERA-NETs financed by the FRCT</b> in <a href="http://frct.azores.gov.pt/legislacao/">http://frct.azores.gov.pt/legislacao/</a>

### Budget

<b>Total earmarked national budget</b>	100 000€
<b>Anticipated no. of funded groups</b>	1-2
<b>Budget restrictions</b>	Maximum amount requested per project 100 000€.

	Maximum duration of funding: 36 months (extensions can be authorized in duly justified cases).
<b>Eligible costs</b>	All project related costs, namely direct personal costs, direct costs of subcontracting, other direct costs, indirect costs. Forms of costs and maximum rates of budget categories are stated in FRCT's eligibility rules.
