

JPND Call for Proposals 2022

Understanding the mechanisms of non-pharmacological interventions

Country: Australia
Organisation: National Health and Medical Research Council

This document contains **information on specific requirements** for researchers applying for funding by the funding organisation indicated above. To make sure that your application is fully in line with the specific requirements and to receive latest information, please contact the respective **national contact person**. Not fulfilling the requirements may lead to ineligibility of the application.

Contact

National contact person	Dr Adam Chapman National Health and Medical Research Council (NHMRC) Email: international@nhmrc.gov.au
--------------------------------	--

Eligibility

Eligible Institutions	Institutions must be a NHMRC Administering Institution to be eligible to receive and administer NHMRC funding. Applications for NHMRC funding are subject to the general eligibility requirements as set out in the <i>NHMRC-European Union Joint Programme - Neurodegenerative Disease Research (JPND): Understanding the mechanisms of non-pharmacological interventions</i> guidelines when available on GrantConnect and within the NHMRC Funding Agreement . Applicants should read all relevant reference material.
Additional requirements	Applicants from Australia intending to apply for funding via NHMRC should notify the national contact point by email to signal an intention to join a consortium, via international@nhmrc.gov.au . Australian applicants should also refer to the NHMRC website for specific documentation for this Grant Opportunity when it becomes available. NHMRC funding is subject to governmental approval processes.

Budget

Total earmarked national budget	\$AUD 2 million (approx. €1.2 million)
Anticipated no. of funded groups	Four (4)
Budget restrictions	Please refer to the <i>NHMRC-European Union Joint Programme - Neurodegenerative Disease Research (JPND): Understanding the mechanisms of non-</i>

	<p><i>pharmacological interventions</i> guidelines when available on GrantConnect</p> <p>Each Australian team may apply for up to three years of funding up to a maximum of \$AUD 0.5 million per team.</p>
Eligible costs	<p>Please refer to:</p> <ul style="list-style-type: none">• Section 5 of the <i>NHMRC-European Union Joint Programme - Neurodegenerative Disease Research (JPND): Understanding the mechanisms of non-pharmacological interventions</i> guidelines when available on GrantConnect• NHMRC Funding Agreement
