

JPND Call for Proposals 2022

Understanding the mechanisms of non-pharmacological interventions

Country: Israel

Organisation: Ministry of Health

This document contains **information on specific requirements** for researchers applying for funding by the funding organisation indicated above. To make sure that your application is fully in line with the specific requirements and to receive latest information, please contact the respective **national contact person**. Not fulfilling the requirements may lead to ineligibility of the application.

Contact

| | |
|--------------------------------|---|
| National contact person | Dr. Irit Allon Irit.allon@moh.gov.il +972-2-5082167 |
|--------------------------------|---|

Eligibility

| | |
|--------------------------------|--|
| Eligible Institutions | Israeli university, research facility or hospital |
| Additional requirements | <p>Maximum funding per grant awarded to a partner: Up to 140,000 € (additional 20,000 € for coordination).</p> <p>Eligibility of principal investigator: PI should hold a Ph.D., M.D., D.M.D., D. Sc or equivalent degree and be employed by an eligible institution. Research authority must approve the position prior to submission. Research will not be funded simultaneously by CSO-MOH on more than one grant (ERA-Net or national). Researchers cannot apply for more than one grant from any ERA-Net funded by CSO-MOH or submit more than one proposal for any programme.</p> <p>Submission of the proposal at the national level: Prior to submission, researchers will submit to CSO-MOH an abstract approved by their research authority including budget distribution. The abstract will describe the role of the Israeli researcher in the proposal. No submission of abstract can result in declaration of the consortium as ineligible. See detailed instructions here.</p> <p>Submission of other information at the national level: If the application involves human or animal experiments, bioethics approvals must be submitted with the application or up to 4 months later.</p> <p>Submission of financial and scientific reports at the national level: Required annually.</p> |
