

JPND Call for Proposals 2022

Understanding the mechanisms of non-pharmacological interventions

Country:	Luxembourg
Organisation:	FNR

This document contains **information on specific requirements**

for researchers applying for funding by the funding organisation indicated above. To make sure that your application is fully in line with the specific requirements and to receive latest information, please contact the respective **national contact person**. Not fulfilling the requirements may lead to ineligibility of the application.

Contact

National contact person	Sean Sapcariu, PhD Luxembourg National Research Fund 2, avenue de l'université L-4365, Esch-sur-Alzette Luxembourg T : +352 261925-33 Sean.sapcariu@fnr.lu
--------------------------------	--

Eligibility

Eligible Institutions	Research-performing institutions eligible for funding by the FNR. All information concerning eligibility rules for Luxembourg participants are detailed in the FNR INTER Application Guidelines (download available on https://www.fnr.lu/funding-instruments/inter/)
Additional requirements	Proposals (pre- and full proposals) must be submitted by the PI's host institution' administration (not by the PI) in electronic format to the FNR's grant management system no later than 5 working days after the JPND submission deadline. In addition, the following is needed: 1) At both proposal stages 3 documents: - INTER budget sheet, - INTER budget details (justification), and - INTER project plan to be submitted by the Luxembourg PI to the FNR's grant management system, jointly with a pdf of the proposal submitted to JPND. 2) Before start of the project: - A consortium agreement (at least clarifying publication and IP rights) signed by all project partners.

	The FNR will only accept a maximum of 2 JPND applications from an individual applicant.
--	---
