

**Country: SPAIN**

**Organisation: Institute of Health Carlos III (Spain)**

This document contains **information on specific requirements** for researchers applying for funding by the funding organisation indicated above. To make sure that your application is fully in line with the specific requirements and to receive latest information, please contact the respective **national contact person**. Not fulfilling the requirements may lead to ineligibility of the application.

## Contact

<b>National contact person</b>	<b>Candi S. Barco</b> Email: cbarco@isciii.es Tel: (+34) 91 822 20 63
--------------------------------	---

## Eligibility

<b>Eligible Institutions</b>	<ul style="list-style-type: none"><li>• <b>Accredited Health Research Institutes</b> (Institutos de Investigación Sanitaria acreditados, IIS). Accredited according to the RD 339/2004, of February 27th or RD 279/2016 (These institutions may manage research via a foundation regulated according to the Spanish Act 50/ 2002, of December 26th). See the list of IIS in <a href="#">this link</a>.</li><li>• <b>Hospitals, primary health care or public health administration of the Spanish National Health System (SNS)</b> These institutions may manage research via a foundation regulated in accordance to the Spanish Act 50/2002, of December 26th (a copy of the foundation's statutes may be submitted).</li><li>• <b>CIBER</b>. Team members applying to the call must be from at least two groups belonging to CIBER in two different home institutions and one of these two should be a Hospital, primary health care or public health administration of the Spanish National Health System (SNS) or Accredited Health Research Institutes (Institutos de Investigación Sanitaria acreditados, IIS). Please contact Cristina Rodríguez (<a href="mailto:cristina.rodriguez@ciberisciii.es">cristina.rodriguez@ciberisciii.es</a>) for more information related to CIBER's eligibility.</li><li>• <b>Academia and Other Research Centers</b> (public or private non-for profit). These entities can <b>only</b> participate if they apply together with Hospitals, primary health care or public health settings of the Spanish National Health System (SNS), or Accredited Health Research Institutes (Institutos de Investigación Sanitaria acreditados, IIS) in the same proposal. It is not allowed to apply independently, thus <b>there must be two beneficiary Spanish institutions requesting funding to ISCIII in the same proposal</b>.</li></ul> <p>PLEASE NOTE:</p>
------------------------------	--

	<p>I. Applicants from ISCIII are eligible. Eligibility criteria from AESI 2022 apply.</p> <p>II. Durations of national grants are up to 3 years.</p> <p>III. Same institution cannot participate with more than one partner in the same project proposal.</p> <p>IV. Only one PI per beneficiary institution may be funded within the same proposal.</p> <p>V. A given PI can apply only once to this call.</p> <p>VII. PIs with ongoing projects in 2023 funded in a JPND call are not eligible for funding by ISCIII in the current call unless the ongoing project or the new application is as coordinator.</p> <p>VIII. There is no other incompatibility with AES 2022.</p> <p>IX. Incompatibility for application to any other call are subject to the provisions in the relevant call.</p> <p>X. SMEs and other private companies are encouraged to participate at their own cost, as subcontractors.</p>
<p><b>Eligibility of PI and team members</b></p>	<ul style="list-style-type: none"> <li>• Principal Investigators (PI) can only participate in one project proposal per call.</li> <li>• Principal Investigators (PIs) belonging to any IIS could apply only from the IIS or from any of the institutions belonging to the IIS.</li> <li>• The Principal Investigator (PI) and all members of the research group must belong to the eligible institution or be affiliated to CIBER or an IIS.</li> </ul> <p><b>Excluded</b> personnel as Principal Investigator (PI):</p> <ul style="list-style-type: none"> <li>• Those undergoing a postgraduate training in Health Specialization (MIR, EIR, FIR, QIR, BIR, PIR, RFIR).</li> <li>• Those undergoing research training (e.g. PhD students, or “Río Hortega” contracts).</li> <li>• Researchers contracted by a RETIC/RICOR.</li> <li>• Those undergoing postdoctoral training (e.g. “Sara Borrell” or “Juan de la Cierva” contracts).</li> </ul>
<p><b>Additional requirements</b></p>	<p><b>On data and repositories</b></p> <ul style="list-style-type: none"> <li>• Researchers funded by ISCIII must make public the human genomic data, as well as relevant data (phenotype and exposition data) generated inside the funded project and will use open access repositories. Researchers must also make public all the necessary information for the interpretation of these genomic data, including lab protocols, data instruments survey tools. Regarding genomic data it is understood: association of complete genomes (GWAS), matrixes of de polymorphism of a single nucleotide (SNP) and sequence of genome, and transcriptomic, metagenomic, epigenomic and gene expression data. The researchers whose projects are funded by ISCIII are recommended to store their scientific data at the "<a href="#">ELIXIR Core Data Resources</a>", or if non-European repositories or data bases are to be used they must be certified by ELIXIR or the US National Center for Biotechnology Information (NCBI).</li> <li>• ISCIII may not fund any project that may require a repository and/or a data base without a plan ensuring sustainability and decommissioning after the end of funding.</li> </ul> <p><b>For clinical studies</b></p> <p>Spanish groups participating in a proposal performing a clinical study are encouraged to contact and include as members of the team personnel from the Clinical Trial Unit (Unidades de Investigación Clínica y Ensayos Clínicos - UICEC) belonging to the Clinical Research Supporting Platform of their institutions, the scientific node of the EU Clinical Trials Network</p>

	<p>(ECRIN-ERIC). It could be included as member of the group applying to the call or as another partner eligible for being funded by ISCIII.</p> <p><b>Acknowledgements</b> Any publication, data base, product or event protected with IPR or not, resulting from the granted project must acknowledge “Award no. XX by Instituto de Salud Carlos III (ISCIII) thorough AES 2022 and within the JPND framework” even after the end of the project. For more information please see ISCIII’s ROR <a href="#">here</a>.</p>
<b>National phase</b>	<ul style="list-style-type: none"> <li>• National applications will be required by ISCIII. Spanish Applicants should periodically check in the web page of ISCIII if they are qualified. ISCIII may not send invitations to the mandatory national phase.</li> <li>• Due to administrative and legal regulations, the Institute of Health Carlos III establishes the national deadline for the decision on fundable project consortia which includes Spanish partners to be funded by ISCIII according to the National application period stated in AES 2022. Any concerned applicant in a proposal for which no final decision has been made by the deadline, could be declared not fundable by ISCIII.</li> </ul>

## Budget

<b>Total earmarked national budget</b>	EUR 2 Million
<b>Anticipated no. of funded groups</b>	8 to 12
<b>Budget restrictions</b>	<p><b>Maximum funding from ISCIII per awarded Spanish project partner:</b></p> <ul style="list-style-type: none"> <li>• Up to <b>175,000 €</b> per partner (overheads included)</li> <li>• Up to <b>250,000 €</b> per coordinator (overheads included)</li> </ul>
<b>Eligible costs</b>	<ul style="list-style-type: none"> <li>• Personnel costs for temporary employment contracts (scholarships are not eligible), with a maximum of 36 PM in total for the personnel contracts altogether.</li> <li>• Current costs, small scientific equipment, disposable materials, travelling expenses and other costs as included in AES 2022 that can be justified as necessary to carry out the proposed activities.</li> <li>• Overheads, according to AES 2022.</li> <li>• Double funding of the same concept is not allowed.</li> </ul>
