

JPND Call for Proposals 2022

Understanding the mechanisms of non-pharmacological interventions

Country: TURKEY
Organisation: TUBITAK

This document contains **information on specific requirements**

for researchers applying for funding by the funding organisation indicated above. To make sure that your application is fully in line with the specific requirements and to receive latest information, please contact the respective **national contact person**. Not fulfilling the requirements may lead to ineligibility of the application.

Contact

National contact person	Gaye Çetinkaya Campari gaye.cetinkaya@tubitak.gov.tr
--------------------------------	---

Eligibility

Eligible Institutions	The funding is granted to Principal Investigators from universities, public or private sector. The PI and researchers are subject to eligibility check.
Additional requirements	Participants from Turkey should also submit their proposals to TUBITAK electronically via uidb-pbs.tubitak.gov.tr in pre-proposal and proposal stage.

Budget

Total earmarked national budget	500.000 €
Anticipated no. of funded groups	3-4 projects
Budget restrictions	TUBITAK 1071 – International R&D Collaboration Program rules apply. The maximum allocated budget for one project is 1.500.000 TL (app 100.000 €) excluding overhead regardless of the number of research groups in the project consortium. Institutional overheads are calculated separately.
Eligible costs	Personnel, Travel costs, Equipment, Consumables, Consultancy & Service Procurement
